OPTIMIZATION + ACCURACY + COMPLIANCE

increase productivity while providing the tools to make them happy and engaged team members.

- Upskill your teams with **micro-training** that is consistent, timely, easily digestible, and LMS extendable so they can stay in compliance.
- **Survey and poll** employees, amplifying their voice to facilitate ongoing, real-time feedback.
- **Recognize and Reward** achievements with a **gamified badging** platform that incorporates training success and survey participation into team leaderboards, driving motivation and engagement
- Inform them, securely and in real-time, through **Targeted Communication** tools
- Connect and engage employee groups, from the C-suite down and the frontline up, and laterally.
- Execute with more insight by leveraging **Task Management** for critical daily or weekly routines.
- **Punch in and Out**, securely using our **multipoint** geo-fence technology on any iOS/Android device.
- Improve retention and patient coverage with an **Open Shift Marketplace and ExpressPay**. Employees can pick up open shifts across units or across town and get paid within 24 hours, positioning you as the employer of choice.

Individual modules are available on their own or as part of the **WorkJam Digital Workplace** suite.
